Dear Sir:

OFFICE OF PETITIONS

AMENDMENT

This Amendment is submitted in response to the Notice to File Corrected Application Papers dated August 15, 2001 regarding the above-identified patent application. As the Notice was not responded to within the time provided under 37 C.F.R. 1.134 due to a clerical oversight, the

Application was abandoned. A petition to revive the application is attached, as the entire delay in filing this reply from the due date for the response to the Notice was unintentional.
